

## Capital credit assignments

Sumter EMC operates as a not-for-profit electric cooperative owned by the members it serves. Revenues remaining after all expenses are paid are called margins. Margins are calculated yearly for each consumer and assigned to member accounts as capital credits.

For several years before refunding capital credits to members, Sumter EMC uses such funds to expand distribution facilities and general plant. Using the capital credits to construct distribution lines and substations reduces the Cooperative’s need to borrow funds and lowers interest expense.

Margins assigned to Sumter EMC by associated organizations are assigned to members in the same way as operating margins. These organizations include Oglethorpe Power Corporation (OPC\*), Georgia Rural Electric Service Corporation, National Rural Utilities Cooperative Finance Corporation, CoBank, Southeastern Data Cooperative, Federated Rural Electric Insurance Exchange and the National Rural Telecommunications Corporation.

Margins assigned to members from Sumter EMC operations and all associated organizations (excluding OPC\*) equal 3.74063% of 2017 revenue. Margins assigned

Capital Credits Assigned for 2017			
%	If your total bills were:	\$ 500	\$1,000
3.74063	Capital Credits assigned from Sumter EMC margins were:	\$18.70	\$37.41
1.63581	Capital Credits assigned by Oglethorpe Power Corp. were:	\$ 8.18	\$16.36

from OPC\* equal 1.63581% of total revenue for 2017.

Examples of how your capital credit assignment is calculated are shown in the table above. To compute individual assignments, just multiply the percentage figures times the sum of your 2017 power bills, excluding sales tax and other charges.

If you have any questions about your capital credit assignments, call us today at (229) 924-8041 or (800) 342-6978.

\* OPC margins include those of OPC and all other sources of power supply and transmission services.

## Do we have your money?

In compliance with O.C.G.A. §44-12-236 of The Disposition of Unclaimed Property Act, Sumter EMC is attempting to locate former members whose capital credit checks were issued in June 2013, but which have been returned by the U.S. Post Office as “undeliverable” or have otherwise been unclaimed. The last possible date to claim these funds is October 15, 2018. If these funds are not claimed by this date, they will be donated for charitable uses, as permitted by O.C.G.A. §44-12-236.

Beginning on page 2 is a list of these members. A complete and current list of these members is also posted for your review on our web

site, [sumteremc.com](http://sumteremc.com), and at the offices located in Americus, Cusseta and Leesburg. Office hours and addresses are also listed on our website. To claim a refund or to submit questions about this notice or the list, call Carol Harvard or Jay Anderson at (800) 342-6978 or (229) 924-8041.
